**G.O.RT.No. 645**

**Dated: 03-10-2016**

**Read the following:-**

1. G.O.Rt.No.525, HM&FW (B2) Dept., dt:11-8-2016.
2. From the Managing Director, Telangana State Medical Services & Infrastructure Development Corporation, Hyderabad Letter No.98/MSIDC/EQU/16-17, Dt:20-09-2016.

**ORDER:**

In the reference 2<sup>nd</sup> read above, the Managing Director, Telangana State Medical Services and Infrastructure Development Corporation, Hyderabad has informed that the Technical Committee has examined the concerns raised by the prospective bidders and suggested to address the Government to consider increasing the contract period to 5 years as against 3 years specified in the G.O 1<sup>st</sup> read above. The reason put forth by the potential bidders, that all dialysis equipment life is 7 to 8 years and most dialysis projects floated by NHM in different states across the country is with 7 years duration and that the duration of 3 years is too short for a service provider to recover the investment made in these equipment, Civil works and other non movable capital expenditure incurred by the service provider. As such the Corporation is of the considered opinion to provide (5) years instead of (3) years so that there will be a healthy competition among the bidders.

2. Government after careful examination of the matter hereby modified the orders issued in Para 5(10) of G.O.Rt.No.525, Health Medical and Family Welfare (B2) Department, dt:11-8-2016 shall be read as "to increase the contract period from (3) years to (5) years".

3. The Commissioner, Telangana Vaidya Vidhana Parishad, Hyderabad and Managing Director, Telangana State Medical Services and Infrastructure Development Corporation, Hyderabad shall take necessary action accordingly.
